(\* - voting members)

**INTRODUCTIONS**

Meeting, via conference call, started at 12:00 noon. Total present: 9; voting members present: 5. Minutes of June 2, 1993 meeting were approved. The following agenda was presented:

I. Items for discussion:

- A. Isolation Rooms (air changes per hour, exhaust system design, positively pressurized isolation room)
- B. Feasibility Studies for Planning Health Facilities
- C. Office of Engineering Services Assistance

II. Next Meeting and consensus

**Items Discussed:**

**Isolation Rooms:** The Committee decided to postpone the discussions on the Isolation Room. CAPT George Byrns and OES

staff will participate in a conference meeting at Cincinnati later this week on isolation room criteria.

**Feasibility Studies for Planning Health Facilities:** Several committee members needed time to study this guideline. Discussions were postponed until next month. Comments should be forwarded in writing to CAPT Kenneth Harper, Director, Office of Engineering Services- Region X by July 23, 1993, prior to the next meeting.

**Office of Engineering Services Assistance:** Committee members requested more time to study this guideline. Discussions were postponed until next month. Comments should be forwarded in writing to CAPT Gordon Wilcox, Deputy Director, Office of Engineering Services- Region VI by July 23, 1993, prior to the next meeting.

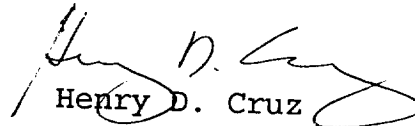

**Other Issues:** None

**NEXT MEETING**

The next conference call will be **August 4, 1993, Wednesday, 12:00 NOON EST.** Please be prepared to discuss the criteria requirements for the Isolation room, feasibility studies, and Office of Engineering Services Assistance.

Meeting was closed at **12:30 PM EST.**

Respectfully Submitted,

  
Henry D. Cruz
